Excessive state car use alleged

A state representative candidate, Everett G. Steele, last week asked Governor Daniel Walker, "in view of the current fuel shortage, to make an intensive investigation into the need and essential use of all state-owned automobiles."

In a letter to the governor, Steele said that on a recent Christmas visit to relatives, he observed a state-owned auto 100 miles from its base of operations, traveling on Christmas Eve, with the back seat filled with both children and Christmas packages.

"This was obviously a personal trip, being taken at taxpayers' expense," Steele said. "No doubt many other similar trips have been and are being made."

"This is a senseless waste of fuel, tires, equipment and the taxpayers' money. From my

own observations, I believe a 50 per cent cut in state-owned autos, excluding police vehicles, could be made without any loss to the people of essential services."

Steele, a Glen Carbon resident and Granite City realtor, said it costs the state over \$2,000 a year to keep and maintain a state-owned auto. Many of the vehicles serve no other use than to transport certain personnel to and from work, he asserted.

"As a taxpayer who has to drive his own car to and from work," Steele continued, "I call upon the governor's office to launch an intensive and immediate investigation into this serious and critical problem. We look to you and to the state of Illinois to lead by example in using all means possible to conserve both fuel and dollars

in these urgent times."

In a statement today, Steele said he is a candidate for a Republican state representative nomination for "reasons just such as this."

He said, "There is much abuse and misuse of the taxpayer's money."

"It is the responsibility of a state representative not only to legislate, but to serve as a watchdog for the people in the

Crossroads Center nearing completion

By GARY SCHNEIDER
Press-Record Staff Writer

What was once just "that big field off Nameoki Road near Pontoon Road" is becoming rapidly converted into one of the largest shopping centers in this area.

Construction is nearing completion on what is to become Crossroads Plaza Shopping Center on the west side of Nameoki Road, between Tri-Mor Bowl and Pontoon Road.

The first store to open is expected to be Schermer Men's and Boys' Store with a mid-March opening date anticipated.

When completed, probably

sometime in May, 124 stores will be conducting business under one roof which will cover 165,000 square feet on the 13-acre site.

One large department store building, which had been planned for a Carp's Department Store, but now is without a tenant, contains 60,000 square feet. Another 33,000-square-foot building is to house a Schnuck's Food Store.

Schnuck's is to occupy its store in early March, but an opening date has not been announced.

Donald Golden of Golden & Associates, Kansas City, Mo., developer of the shopping center, said he is negotiating

with several department store chains for a free-standing department store building here, but no contracts have been signed.

The Schnuck's store is the first to greet those driving into the center from Nameoki Road. It is distinguished from the other buildings by large chapel type windows, rounded at the top, which comprise a major portion of the front of the building.

Inside, workmen are busy putting up walls and preparing the floors and ceilings for occupancy.

When completed, in addition to the grocery sales area, the

Emergency heart class

A class in Heart Emergency Life Procedures (HELP) for the general public is to be offered at the Tri-Mor Hospital. The course is expected to be of particular interest to people who have relatives or friends with heart ailments.

The complete course is taught in two hours and is free of charge. It will cover basic emergency procedures to follow in assisting a heart attack victim until professional help is available.

The two-hour session will begin Feb. 25 at 1:30 p.m. in the Wiesman Room at the hospital. Instructor for the course will be Anthony Marquez, trauma center coordinator. To register, individuals may call 878-2020, Extension 411 or 412.

Ceiling sawed, drug store looted

About \$800 worth of controlled drugs and \$500 cash were taken in a burglary at Downtown Drugs, 18th Street and Delmar Avenue, Charlie Hayes, owner, reported at 11:40 a.m. Sunday.

A hole was sawed in the floor of the upstairs Economic

Opportunity Commission clinic through the roof of the drug store to gain entry.

After cutting the hole, the burglars jumped down through the hole and the ceiling below it into the dining area of the drug store.

Hayes, a pharmacist, said the burglars apparently "knew which drugs to take."

He said nearly all drugs classified as "controlled" by the government were taken, some from the refrigerator and some from shelves. Less dangerous drugs were left untouched on the shelves, he said.

Potential street value of the drugs is estimated at several thousand dollars. The cash was taken from a drawer in the store.

A basement safe was forced open, but there were no valuables in it. The lock on the safe was damaged and the door was beaten with a heavy object until it bent open.

Initial entry was believed gained by going through an

unlocked door into the stairway to the upstairs EOC clinic. A clinic door then was pried open.

Before entering the downstairs, the burglars forced open the rear door and a steel protective unit over the door, which opened to a fire escape.

After looting the drug store, the burglars are believed to have left by going up the fire escape through the clinic and back out the stairway door onto 18th Street.

Driver injured

Verna Asher, 38, 1642 Maple Ave., was injured when her car struck a parked car and then crossed the center line and collided head-on with the auto of Clarence Louis, St. Louis, at Niedringhaus and Walnut avenues at 11:20 p.m. Thursday.

She was treated at St. Elizabeth Hospital for hematomas to her lower legs, a cut to her lower lip and abrasions and contusions. X-rays were taken and she was released.

CHURCH WOMEN MEET

Church Women United will hold their annual business meeting at 7:30 p.m. tomorrow at the First United Presbyterian Church, 1639 Third St., Madison.

Illinois is to receive more gasoline under a new redistribution system. Gov. Dan Walker said during the weekend fuel crisis, and he commented that Chicago in particular had been "short-changed" on its gasoline allotment" until now.

William E. Simon, federal energy chief, said the new plan is intended to provide a better balance of supplies.

Twelve states will get additional gasoline and 10 receive less. Missouri is among 28 states unchanged.

NEW SCHNUCK'S grocery store which is taking shape at the Crossroads Shopping Center may be the largest grocery in Madison or St. Clair counties, developers say. The building puts 33,000 square feet

under roof and will contain a delicatessen, a bake shop and other features in addition to the grocery sales area. (Press-Record Photo)

SOON TO BE BUSTLING with activity is this main walkway at the new Crossroads Plaza Shopping Center being constructed on Nameoki Road. Rectangular indentations in the sidewalk will be the sites of flowers

and shrubbery when the center opens. In the foreground at right is the future home of a Walgreen drug store and beside it will be a Tipton appliance store. (Press-Record Photo)

'On port, airport, Slacog backers could show Illinoisans good faith'

Illinois support for creation of a St. Louis Area Council of Governments (Slacog) is being limited by Missouri's "track record" of seeking any major St. Louis area project for the Missouri side, public officials and businessmen commented during a discussion here Thursday night.

"When the chips are down, they react predictably," one of those at the dinner meeting said.

Examples cited were the present Missouri effort to delay and block a major new airport proposed at Columbia, Waterloo, Ill., and the expected effort to push for Missouri port facilities although freight rates and Mississippi River flow patterns are said to dictate the Illinois side.

Equal representation by the two states is offered in the governing plan for the proposed Council of Governments. "But some people are more equal than others" due to differing sizes of their research staffs and fund resources, it was noted.

Slacog, with 14 directors from each state, would have the planning powers of the East-West Gateway Coordinating Council, the operating powers of the Bi-State Development Agency and the authority to encourage or discourage developments by private enterprise or other governments.

By defining a subject as having regional as well as local implications, the proposed new council could play a decision-making role on land use, traffic, pollution, etc.

The meeting Thursday night at Charlie's was arranged by a special committee of the Tri-Cities Area Chamber of Commerce. State legislators were guests.

"I don't feel we have reached the bottom of the matter yet," Judge Harrison told the Press-Record.

At that point, I can only say that I am not satisfied with the explanations afforded, and we must delve further to determine the facts."

Douglas here Tuesday

Supreme Court Justice William O. Douglas will speak at Southern Illinois University at Edwardsville at 8 p.m. Tuesday in the Meridian Ballroom of the University Center.

Douglas was appointed to the Supreme Court in 1959 and recently passed Stephen J. Field's record for longest tenure on the nation's highest court.

He is an advocate of civil rights and conservation, and is the author of several books, including "Points of Rebellion," "Freedom of the Mind" and "The Rule of Law in World Affairs."

Admission to Justice Douglas' lecture is \$1.25 for students and \$1.75 for non-students. There will be a discount of 25 cents for tickets purchased in advance.

Douglas' visit to SIUE is the second in a lecture series being sponsored by the University Center Board entitled "Issues in Journalism and Politics."

Meet Feb. 27 to prepare for possible flood

In an effort to prevent damage, evacuation of homes and injuries, which occurred with last spring's floods, the Illinois Civil Defense Agency has scheduled a series of 11 disaster preparedness meetings throughout the state.

Region Four will meet at 9 a.m. Feb. 27 at the Twin House restaurant, 400 S. Illinois, Belleville. Regional coordinator is William Eisele (235-0655).

Civil Defense Director Eric Jones said, "Disaster preparedness plans for possible spring floods, severe storms and tornadoes are important to every city, town, and county."

"Knowing who to call in an emergency could mean the difference between life and death. It is vital that each community review its disaster plans prior to a disaster situation."

CD regional coordinators will conduct the meetings. They have invited representatives from state and federal agencies to participate.

It is planned to inform local officials as to what services are available from such groups as the Red Cross, Salvation Army, National Weather Service, U.S. Corps of Engineers and the state departments of public health, transportation, conservation and local government affairs.

Jones urges local government leaders to attend the meetings.

MHS discipline case settled

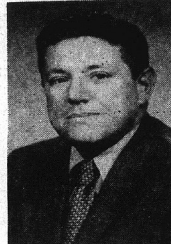

Parents of a Madison High School student withdrew their child from school and will seek an alternative type of schooling, it was announced by John Palchiff, superintendent of schools, following a special school board meeting Thursday to see what help could be given the child.

Chester L. McManaway, board president, informed the board members that a special dinner will be held Wednesday, Feb. 20, at Fischer's Restaurant in Belleville. The dinner will be attended by board members of St. Clair and Madison Counties who will honor local legislators.

The board will hold a regular meeting beginning at 7:30 p.m. Thursday, Feb. 21.

Ask the Governor

Although the proposed Columbia-Waterloo airport site would provide jobs and economic development, as well as the service the St. Louis area, the majority of us in the area are opposed to it. We like our simple life, our farming tradition; many of us know nothing else. Why did the state choose this site?

...Mrs. Celia Dehn, Columbia.

The new airport will not only boost the total economy but will provide more than 33,000 jobs. Yet, fewer than 300 families will have to relocate. Relocation assistance will be available.

The airport will beneficially affect the lives of more than 600,000 Illinois residents in this area and the future of the St. Louis Metropolitan area—the tenth largest in the United States.

One of the most difficult decisions a governor has to make is what to build and at the expense of how many people. I oppose the expansion of the East-West Tollway in the late 1960s. I oppose and will continue to oppose the Columbia-Waterloo airport site.

The site has received the overwhelming support from local representatives, both U.S. Senators, the entire Congressional Delegation and my predecessors.

It is unfortunate that in meeting the needs of the majority of the people that some must suffer a disruption in their established lifestyles. However, Illinois residents play an integral role in the development of this metropolitan area and we must do our part.

THEFT FROM GARAGE
An assortment of tools was stolen from a cabinet in the garage of Philip Mull, 248 E. 27th St., it was reported at 4:35 p.m. Friday. Entry was gained through an unlocked overhead door. Hinges on the cabinet door had been broken.

Hall-Cole ceremony at Bethesda Baptist

Candlelight illuminated the Bethesda Baptist Church, 3035 N. Meade Drive, for the wedding of Miss Debra Lynne Cole and Gerald Lee Hall.

The Rev. Ralph Craycraft heard the couple repeat their wedding vows in a double ring ceremony at 6:30 p.m. Jan. 26.

The bride is a daughter of Mrs. Evelyn Cole, 2021 Illinois Ave. The groom's parents are Mr. and Mrs. Hubert Hall, 308 Wilson Park Lane.

Mrs. Ralph Craycraft presided at the piano, playing "We're Only Just Begun" and "Always."

The former Miss Cole wore a full length gown of white satin and Venice lace. Delicate blue embroidered inserts detailed the front of the frock from neckline to hem.

The Empire bodice was made with a round, turned-down collar and was fitted with bishop sleeves, gathered into deep cuffs.

A detachable coat train enhanced the A-line skirt, and a petal lace headpiece with teardrop pearls held in place her bouffant veil of illusion. She carried a colonial bouquet of ivory white carnations, trailing long satin streamers.

Smith-Nicholas wedding in candlelight setting

Miss Deborah Jane Nicholas became the bride of Harold Michael Smith in a ceremony performed Feb. 2 at the New Hope Baptist Church in Granite City.

The Rev. John Hollis, a cousin of the bride, officiated at the 7 o'clock "candlelight" service before an altar decorated with bouquets of white gladioli and pom poms. Burning tapers in branched candelabras illuminated the sanctuary.

The bride is a daughter of Mr. and Mrs. Roy Nicholas, 5001 Lewis Ave. The groom's parents, Mr. and Mrs. James Smith, live at 5101 Lewis Ave.

Miss Becky Miller provided the nuptial music at the organ and accompanied the soloist, Mrs. Ralph Anderson.

The honor attendant was Miss Marsha Smith, the groom's sister, and the bridesmaids included Miss Judy Nicholas, a sister of the bride, Miss Betty Bode, the bride's cousin and Miss Cindy Smith.

The flower girl, Tammy Adams, was escorted by Vincent Henry, ring bearer.

The bridegroom chose his brother, David Smith, as best man. The groomsmen were Edward Holmes, Andrew Portell, and Gilmore Portell, uncles of the groom. Ushers were Robert Stairs, Tom Portell and Bill Prater.

Vicki Rankin becomes Mrs. Dennis McCauley

The wedding of Miss Vicki June Rankin and Dennis Michael McCauley, 3219 Maryville Road, took place Saturday evening at the Holy Rosary Catholic Church in East St. Louis.

Parents of the bride are Mr. and Mrs. Douglas D. Rankin Sr., 4726 N. Park Drive, East St. Louis. The groom is a son of Mr. and Mrs. Delphina McCauley, 3819 Cookson Road, Fairmont City. The Rev. J. R. Meschia officiated at the 6:30 o'clock ceremony before an altar decorated with bouquets of fresh white blooms.

Mrs. William Pittman of Mount Vernon, a sister of the bride, served as matron of honor, with Miss Michelle Kalicki, East St. Louis, as honor maid.

Miss Vicki McCauley, the groom's sister was the bridesmaid and the junior maid was Victoria Kalicki, Debbie Hensler was flower girl.

Raymond Deering of Fairmont City, the groom's brother, was best man, with Fred McCauley, another brother, and Robert Galas Sr. as groomsmen. Tim Gudinas and Robert Galas Jr. were junior groomsmen and ring bearer, respectively.

Mike Rankin, the bride's brother and Kenny Lily seated the guests.

The attendants wore identical gowns of deep purple polyester crepe with contrasting white collars and sleeve bands trimmed in white lace. The bodices were made in Empire style and the skirts were floor length.

On their hair they wore white velvet caps, enhanced with white lace, and their flowers were large chrysanthemums tipped in purple.

The flower girl was dressed in a full length frock of white polyester crepe fashioned along Empire lines and encircled at the waist with a deep purple sash and bow. She wore a white velvet bow in her hair and she carried a basket of white and purple mums.

The bride was escorted to the altar and given in marriage by her father. She wore a gown of white peau de soie and Alencon lace, with a scalloped overlay of peau and lace enhancing the bouffant skirt.

Lace scallops edged the neckline and lace extended over the shoulder to points midway on the full bishop sleeves, which were gathered to wide lace cuffs.

A tiara of pearls and lace secured a chapel length veil of illusion mist and she held a colonial bouquet of daisies, rosebuds and stephanotis, festooned with white satin streamers.

Mrs. Rankin chose for her daughter's wedding, a floor length gown made with navy and white print bodice and sleeves and a navy blue skirt. She carried a small hand bouquet of white roses and mums.

Mrs. McCauley, the groom's mother, selected a two-piece tailored suit in pink. Her flowers were white roses and mums, tipped in pink.

Mrs. Douglas Rankin Jr., the bride's sister-in-law, attended the guest register.

A reception was held at the Stop Light Restaurant, East St. Louis, following the ceremony.

The former Miss Rankin was graduated from Collinsville High School. She is employed at the Say Mart store on Collinsville Road.

Her husband, an Assumption High School graduate, is employed at Chemelco in Hartford.

The newlyweds will make their future home in Granite City.

MRS. DENNIS L. MCCAULEY. She is the former Vicki June Rankin, a daughter of Mr. and Mrs. Douglas D. Rankin Sr., of East St. Louis, who was married Saturday evening at Holy Rosary Catholic Church in East St. Louis.

Blue and Gold banquet

The first Blue and Gold Banquet of Cub Packs 108 and 121 was held last week in the Lake School Cafeteria. Indian dancers of Explorer Post 6, sponsored by Concordia Lutheran Church, provided the entertainment.

Pack 108 is sponsored by the Lake School PTA and Pack 121 is sponsored by the Wilson School PTA.

The dinner meeting opened with the pledge of allegiance led by Pack 108 and was followed by invocation by the Rev. Tony Rochelle, S.J., of St. Louis University.

Council vice-chairman for Cubbing, Don Gnaedinger, explained the importance of the family working together as a team to make scouting a family affair. Rick Lucido, Richard Foote, Mrs. Betty Ramey, den leader of Pack 121, Mrs. Wanda Hubbell and Mr. and Mrs. Bill Sommer were presented certificates "for their unselfish sharing of time with these children who are not their own," by Gnaedinger.

Rick Lucido, Cubmaster of Pack 108, introduced the guests who included Mrs. Thomas Layloff and son Tommy; Ted Serum, district member at

large; the Reverend Rochelle and Mr. and Mrs. Don Gnaedinger and son Donnie.

During a candlelight award ceremony, Ricky Wolf received a Wolf badge and one gold and one silver arrow point. Norman Kinder received a Wolf badge and a gold arrow point. The boys also received Bear Books.

Year pins were presented to Cubs Ronnie Harlin, Dennis Grimm, Craig York, Norman Kinder, Richard Dermott and Jerry Phillips.

Perfect attendance pins went to Jerry Phillips, Craig York, Ronnie Harlin and Norman Kinder. Adults receiving perfect attendance pins were Richard Foote Sr., Rick Lucido, Norma Kinder, den leader, and Norman Kinder, committee chairman for Pack 108.

Thanks certificates went to Mr. and Mrs. Kinder for serving the past year with the pack. Mrs. Gail Bivens was made an honorary den leader.

Each Cub received a pinewood derby car for the next pack meeting to be held in March. The meeting closed with a benediction by the Rev. Rochelle and the Living Circle by the Cubs.

Maroons top Steeler cagers in overtime here

By KEN THOMPSON
Press-Record Sports Writer
If tear drops were free throws and heartaches field goals, the Steelers of Granite City High School North today would be boasting a 10-4 record after meeting Belleville West here Saturday night.

This weekend's cage contest was not a fairy tale, however, as the North Steelers soon found out when the Belleville squad capitalized on a series of Steeler misfortunes to post a 71-65 overtime victory.

After having led the Belleville Maroons in the first three quarters, 16-4, 33-22, 47-40, the Steelers allowed West to pull ahead, 58-56, five minutes into the final period on three con-

secutive field goals. The Maroons scored immediately after North had a foul shot nullified for having a foot on the throwing line. Then twice again they intercepted Steeler passes to score.

Both ball clubs scored again but North's Dave Scherfke tied it up at 60-60 on a field goal with 18 seconds left to play. Good Steeler defense then sent the game into overtime.

Belleville took the tipoff and went on to post three field goals and five charity shots as compared to North's two baskets and one from the foul

line. Steeler Don Lloyd, who made North's one foul shot, writhed on the court in pain after reinjuring a knee in a collision with a West player.

The Steelers recovered 29 rebounds and tallied 28 field goals while committing 23 fouls, 15 of which sent Mike Waldo, Gene Logas and Darryl Page to the bench. North was seven of 18 from the foul line and turned the ball over to the enemy 18 times. Belleville West had 35 baskets from the field, pulled down 30 rebounds, fouled 21 times, turned the ball over to North 22 times and was 21 of 28 from the free throw line. Milton Wiley tallied 27 points for the Maroons.

Scherfke led the Steeler scoring effort with 24 points on 11 field goals and two from the foul line. Greg Gauen and Page each added 14. Waldo had six, Logas, Larry Jones and Steve Reinagel posted two apiece and Lloyd had one.

The Steelers will carry their 9-7 record to Quincy at 8:15 p.m. Friday against Quincy Catholic Boys.

STEELER ACCURACY is shown here by Mike Waldo (34) as he sends the ball sailing for a basket against Belleville West during the weekend. Following the shot are West cagers Rusty Lisch, Don Barton (behind Lisch) and Dave Wild. Awaiting a possible missed shot are North's Gene Logas and Dave Scherfke (behind Logas). West captured the contest 71-65 in overtime. (Press-Record Photo)

Venice cagers earn 15th straight win

The Venice Red Devils captured their 15th consecutive victory at home Friday, downing East St. Louis Lincoln 75-58. Venice will meet Valmeyer at 8 p.m. tomorrow at Valmeyer.

The Red Devils led the East St. Louis squad throughout the contest, with quarter scores of 18-10, 30-28, 55-36 and the final score. Venice hit on 29 field goals, 17 free throws and committed 10 fouls. Lincoln made good 28 field

goals, two from the foul line, and fouled against Venice 16 times. Bernie Lewis Jr. tallied the most points for the visitors with 14. Lincoln now is 6-7 for the season.

Ron Henry headed the Devils' scoring effort with 29 points. Tony Sifton had 14, Reggie Gardner 13, J. B. Harmon 10, Mike Logan five, and James Crowder four.

After meeting Valmeyer tomorrow, Venice will play host at 8 p.m. Friday to Sumner of St. Louis.

Neoga 16th victim of Madison cagers

The Madison High Trojans carry a 16-0 season record on the road tomorrow at 8 p.m. against Lebanon. Madison continued its winning ways with a 70-50 romp Friday at home over Neoga, 11.

Madison hit 40 per cent from the field, 31 of 78, and was eight of 17 from the foul line to lead the visitors in every quarter of the contest, 19-12, 36-26, 53-38 and the final score.

The Trojans recovered 56 rebounds, 31 offensive, had 31 assists and 12 turnovers while fouling 17 times.

Neoga shot 34 per cent from

the field, 19 of 59, hit on 12 of 18 from the free line and fouled against Madison 14 times. The visitors pulled down 28 rebounds, 11 offensive, turned the ball over 22 times and had 19 assists. Willie Rivera led Neoga in scoring with 18 points.

Chris Stanley topped the Trojans' scoring attack with 16 points and 13 rebounds. Ron Glasper scored 11, Jon Henke and Darrell Franklin had 10 each, Kelvin Boyd seven, Alvin Wigfall seven, Norman Whitecotton five, and Willie Sheary and Mike Walker each tallied two points.

Booster bus to Quincy Friday

North matmen blank Centralia

Granite City High School North matmen will put their 11-2 record on the line at 7 p.m. tomorrow against a tough Lancer team at Belleville East. The North Steelers increased their season record with a 58-50 shutout Friday at Centralia.

"Centralia," remarked North Coach Walt Whitaker, "had sort of a patchwork squad. Injuries

and illness kept some of its wrestlers from competing against us. But we still beat some pretty good boys."

Posing the first shutout in Steeler wrestling history (purs indicated by times) were: 98 pound—Randy Hartline, 2:52; 105—Neil Pierson, 2:39; 112—Rudy Pyle, won by forfeit; 119—Phil Shands, 8-4; 126—Jim

Stalling, 2:22; 132—Chester Fetter, 3:55; 138—Terry Johnson, 9-2; 145—Bill Carr, 16-4; 155—Dave Whitsell, 4:42; 167—Dave Hamilton, 8-3; 185—Jim Barker, 3:04, and heavyweight—John McMillon 24-0.

Speaking of this Friday's district meet at Roxana, Coach

Whitaker told the Press-Record, "We are hoping to get some of our boys into the sectional. We have several good wrestlers with pretty good records."

"Of course," he added, "some of them will be feeling real pressure, much like they had at the South Holiday Tournament."

Warrior cagers fall to Belleville squads

Granite City High School South cagers fell to 0-17 thus far in the season after losing back-to-back contests to two Belleville squads this weekend. The Warriors dropped a 62-53 decision to Belleville West here Friday and lost 74-61 on the road Saturday to Belleville East.

South bounced back from a 14-11 first period deficit Friday to outscore West, 27-23 and 45-41, in the next two quarters before the Warriors rallied in the final period for the win.

West tallied 26 field goals and was eight of 11 from the free throw line while committing only nine fouls in the contest. Bill Schmidt and Milton Wiley led the Belleville squad in scoring with 16 points apiece.

The Warriors recovered 31

rebounds, hit on 24 from the field and was five of eight from the foul line, while committing 14 fouls.

Mike Martinez led South in scoring with 27 points. Ken Bertrand had eight, Bob Hutchings and Jim Nolan tallied six apiece, Tom Schooley four and Rick Fancher two.

Saturday, the Warriors trailed East in every quarter, 22-13, 38-32, 53-44 and 74-61. East's Jeff Boots downed a free throw when the referee called a technical foul on the team.

South Coach Bryan Wilkerson was heard to mutter, "a lousy call," referring to the foul called on Nolan when the local cager was not near the spot where the alleged foul occurred, according to the coach.

East upped its season record to 9-0 on 30 field goals and 14 of 20 shots from the free line while committing 19 fouls. Craig Aigne led the Belleville squad in scoring with 19 points.

South hit on 21 from the field, committed 17 fouls and pulled down 36 rebounds. The Warriors outscored East from the foul line by hitting on 19 of 26 attempts.

Martinez again led the Warriors in scoring with 22 points, Nolan had 14, Schooley 10, Bertrand nine, and Hutchings seven.

South will face the Collinsville Kahoks here at 8 p.m. Friday, and then will attempt to avenge an early season overtime loss to Cahokia there at 8 p.m. Saturday.

SIUE bows 70-69

Coach Jimmie Weyer of Thomas More College (Covington, Ky.) took a gamble Saturday night when he Rebel cagers fought to a 59-65 lead in their game with SIUE with five minutes on the clock. The Rebels went into a stall and won, 70-69.

The bet might be excused on the grounds that the contest wasn't a "home" game for either team. The game was played at Meramec Junior College in South St. Louis County. For the record, it was a "home game" for Coach Jim Dudley's Cougars, who were attempting to run their winning streak to five against the Rebels, now 9-11.

The Kentucky coach had to know that a four-point lead wasn't much, he'd just seen his own charges battle back from a deficit of 48-39, after five minutes of play in the second half to catch the Cougars, 50-50.

It was the tenth and final time the score was tied in the hard-fought game.

Gitcho ends Russian tour

Granite City's Jan Gitcho was one of two United States wrestlers able to score points against their Russian counterparts during a three-week wrestling tour of the Soviet Union which ended Friday. The U.S. matmen lost to the Soviet team, 16-2, in a meet Friday at Minsk.

Gitcho posted a 2-3 victory over his opponent Thursday and earned one point for his team the next day after battling Dudley's Cougars, who were attempting to run their winning streak to five against the Rebels, now 9-11.

Knights win 3

In the Granite City Park District's co-ed volleyball program Thursday at the Lincoln Place Community Center, local squads posted the following results: Knights of Columbus, 15-10, 15-6, 15-8, over the 58ers; Brothers Two, 15-1 over Dan's Clark in first game. Dan's winning the second contest 15-11 and Brothers Two winning 15-6 in the final set.

BEST SHOT PUT EVER was achieved Friday night in Los Angeles by George Woods, Worden, Ill., an admissions counselor at Southern Illinois University at Edwardsville. He is shown in earlier competition. His throw of 72 feet, 2 1/4 inches in the 15th annual Times Indoor Games was

the best in history by any competitor, either indoors or outdoors. In the meet, Woods three times surpassed his own world indoor mark of 70-4 1/4, and in the process bettered the outdoor record of 71-7. Originally from Sikeston, Mo., Woods weighs 310 pounds.

North freshmen bow to Belleville

GCHS North split its freshmen basketball team into two squads, A and B. Thursday night against Belleville East in a contest held at Grigsby Junior High School, but Belleville dominated both games. East won 41-57 over the "A" squad and topped the "B" squad 45-14. Scoring points for the "A" team were Brad Smith with 23, Chris Page 10, Jerry Barnett eight, Gary Paul and Leo Pelek six apiece, and Greg Corey four.

Pointmakers for North's "B" team were Gordon Faloni and Alan Warfield with four each. Thursday at the hands of Roxana by winning the final match of the meet to tie the score at 28-28.

Roxana had captured six matches in the 12-bout event to lead 28-22 going into the heavyweight battle. South's Mark Naglich pinned his opponent in 3:40 to tie the event.

Other Warrior victims were: 106 - John Phillips 4-3, 119 - Dave Gaines 6-0, 132 - Jim Carmody 5-2, 138 - Rick Jones 6-0, and 167 - Kevin Wilson 14-0.

Mrs. Lee joins Madison bank

Mrs. Margaret Lee, wife of the late Dr. John E. Lee of Venice, has joined the staff of the First National Bank in Madison as director of public relations and assistant personnel director.

Other staff promotions approved by the bank's board of directors at a monthly meeting Thursday afternoon included Mrs. Dorothy Shabo, promoted to cashier; Mrs. Sharon Jackson and Miss Cecelia Kowalczyk, named as assistant cashiers, and John Belkoff, appointed vice-president and director of marketing.

Truck issues not settled in region

Independent truck drivers of this region voted Sunday afternoon at Alton against returning to work, citing their hope that diesel fuel prices may be rolled back to the May 15, 1973, level.

However, some headway is being made in other parts of the nation to end the 12-day-old dispute. Those resisting a halt to the strike say not enough action has been taken to enable

them to make an adequate living.

Fred Richard M. Nixon on Saturday urged a return to work as essential to "provide food, fuel and other supplies to all Americans." He is asking Congress for a six-year \$16 billion federal aid commitment to improve public transportation, including highways and mass transit.

Informational picketing at Roadway Express, 25 Dock St., St. Louis, by the Independent Truckers' Coalition was restrained in a temporary order Friday by Circuit Judge Harold L. Satz.

Rites set for Lois Wilson

Funeral services will be held at 8 p.m. Tuesday at the New Salem Baptist Church, Madison, for Lois Wilson, 68, of 1134 Market St., Venice, who died Wednesday in St. Elizabeth Hospital here.

Survivors include his wife Mrs. Bobbie Wilson; one sister, Mrs. Ardella Cox of Memphis, Tenn.; two brothers Forrest Wilson of Memphis, Tenn., and O. B. Wilson of Waterloo, Iowa.

MEET ON DRAINAGE

A meeting of officials called by Nameki Supervisor Louis Whisell for 10 a.m. Wednesday at the Firemen's Hall in Madison is intended to seek a local-level government sponsor for drainage and flood control work. He said such a sponsor could seek rights-of-way for segments of hillside drainage proposals.

Health survey scheduled

About 380 persons aged 1-74 years from Madison and St. Clair Counties, Illinois, and St. Louis, Jefferson and St. Charles Counties, Missouri, will receive health and nutrition examinations in a study beginning Feb. 28 by the National Center for Health Statistics, Health Resources Administration, U.S. Public Health Service.

The examining program is part of a nationwide sampling study of young persons and adults by the Health and Nutrition Examination Survey of the Public Health Service. The survey will examine a representative sample of the U.S. population to collect

uniform statistical information on selected chronic conditions and related health care needs among adults and to assess the nutritional status of Americans ages 1-74 years. The activity is a part of the National Health Survey authorized by Congress.

Persons to be examined in the survey will be chosen by a scientific sampling process from among the population of the five counties. Examinations will be given in the Health and Nutrition Examination Survey's mobile examination center on the grounds of the Forest Park Community College, Parking Lot "F", 5600 Oakland Ave., St. Louis, Mo., 63110.

Bakalis reduces funding request

Michael J. Bakalis, state school superintendent, said Friday he again will ask the state legislature for a reduced budget to operate his office.

He will ask for \$11,582,100 to operate his office during the 1974-75 year. He asked and was granted \$11,627,100 to administer his office for the current year.

In his first year in office, 1971, Bakalis requested \$11,578,000. The 1974-75 operations request is also smaller than the \$11,671,600 budget for the last year of Bakalis' predecessor.

Bakalis said, "There is room for greater austerity and responsibility by governmental institutions if leaders will adopt sound management practices and establish clearly what their priorities are."

"I believe my administration has proven that a management-by-objectives approach works. It pays off for the managers as well as the taxpayers, because when an institution knows clearly where it is going it consumes less taxes and provides better services."

The OSPI budget has been decreased from four years ago while the consumer price index increased 26.4 per cent during the same period. Bakalis noted that he has granted cost of living increases to all employees in his office during the same time.

His new budget request calls for a six per cent cost of living pay increase for all clerical, secretarial and other support personnel in the agency.

"During this same period,"

he said, "the increased cost of administering state government generally has risen by more than 18 per cent."

Bakalis' office is responsible for administering state and federal aid to the state's 1,000-plus school districts. During the three and one half years of Bakalis' term, the amount of federal aid funneled through his office to local schools has increased by over one third; state aid during the same time rose from \$954 million to \$1,366 million.

Programs added are: urban education, bilingual education, improved teacher preparation and certification standards, educational assessment testing, new curriculum developments, revamped supervision and recognition standards and creation of the Illinois Network for School Development.

Aside from improved personnel management and budgeting, Bakalis listed greater retrieval of federal funds as a reason he is able to rely less on state funding.

The state education office gained more than \$350,000 last year for administrative costs through successful impoundment suits against the Nixon administration. Illinois has been among a small group of states that waged successive legal assaults on federal impoundments of education funds. Through these suits, more than \$20 million has been obtained from unauthorized education funds.

Each year, about a third of

WEAPON CHARGE

James Edward Skinner, 30, of Kirkwood, Mo., was charged with unlawful use of weapon at 1 p.m. Friday. Madison police arrested Skinner at 108 State St., Madison, after receiving a radio dispatch from Granite City police. He was released on \$50 cash bond and is to appear in court at 10 a.m., March 12.

The operating costs of the state office are paid from federal funds, covering the cost of administering federal education programs that aid districts and direct aid to the state office.

The percentage of federal aid for administering the state education agency has increased under Bakalis despite tightened federal spending due to a more aggressive campaign by his staff to win the funds, he said Friday. His office has required all school districts in the state for the first time this year to adopt comprehensive management plans.

"This new requirement, already fulfilled by nearly every school district in the state, can save taxes at the local level as well as improve the education program. If it works at the state level, there is no reason it cannot do as well locally," he concluded.

Marathon run for heart fund

The annual Heart Fund Marathon Run sponsored by Sigma Phi Epsilon (SPE) fraternity is scheduled Friday and Saturday, Feb. 15 and 16, from the campus of SIUE to Belleville.

Dr. John S. Rendleman, president of SIUE, will light a Heart Fund "torch" and hand it to the first runner to launch the 26-mile jaunt at 11:30 a.m. Friday. The ceremony will take place on the "hairpin" drive in the heart of the SIUE campus.

Members of the fraternity and their auxiliary organizations, Little Sisters and Golden Hearts, composed of girl friends, wives and other students, will take turns carrying the torch.

The runners will follow a route from the campus to the city park and library in Edwardsville, Montclair shopping center, Maryville and First National Bank in Collinsville, arriving at 4:41 p.m. Friday.

The run will resume Saturday morning, leaving Collinsville at 10:30 a.m., following Highway 159 to Fairview Heights and terminating at the public square in Belleville at 4:20 p.m. Each day, stops will be made at business places along the way to solicit public donations for the fund. The mayors of Edwardsville, Collinsville, Fairview Heights, Swansea and Belleville will deliver brief welcoming talks to the runners, and Heart Fund officials will be present in each community.

H. R. Pufstuf, Six Flags cartoon character, also will appear at each point along the way, according to George Ward, SPE coordinator for the run.

Ward said businesses and organizations have been asked to sponsor the run by donating \$25 per mile.

The sheriff departments of Madison and St. Clair counties will escort the runners along the route.

In previous years, the run has been made from Edwardsville to Springfield, but the jaunt was reduced to the local area this year because of the energy crisis, Ward said. He didn't say whose energy he had in mind.

Formal notice received on retention of Command

Cong. Melvin Price (D-23d Ill. Dist.) has been formally advised by the secretary of the Army that the Aviation Systems Command (AVSCOM) Headquarters will remain in St. Louis. First word of the decision was disclosed in the Press-Record and in Washington Jan.

31. Over the past several months, the Army has been considering a transfer of AVSCOM to another city. But after an exhaustive review of the need for new facilities, the Department decided to retain the present site.

Rep. Price, who had been actively supporting retention of AVSCOM in the St. Louis metropolitan area, expresses satisfaction with the decision. "Since it employs 4,000 people and has a great economic impact on this area, the loss of AVSCOM would have seriously

upset the local economic situation," said the congressman. "So, naturally, I'm pleased that we'll keep the facility in our area." A considerable number of AVSCOM employees reside in Rep. Price's Congressional district—St. Clair County and

part of Madison County. Secretary of the Army Howard Calloway said some improvement of the headquarters facilities is necessary, but that the improvement can be obtained without moving. At one point the Army had considered relocating AVSCOM near a major airfield, possibly Scott Air Force Base in this Congressional district. "A

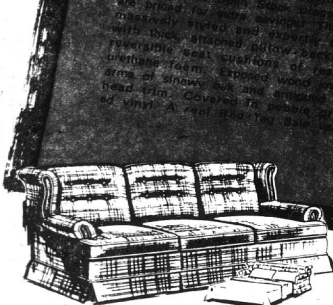

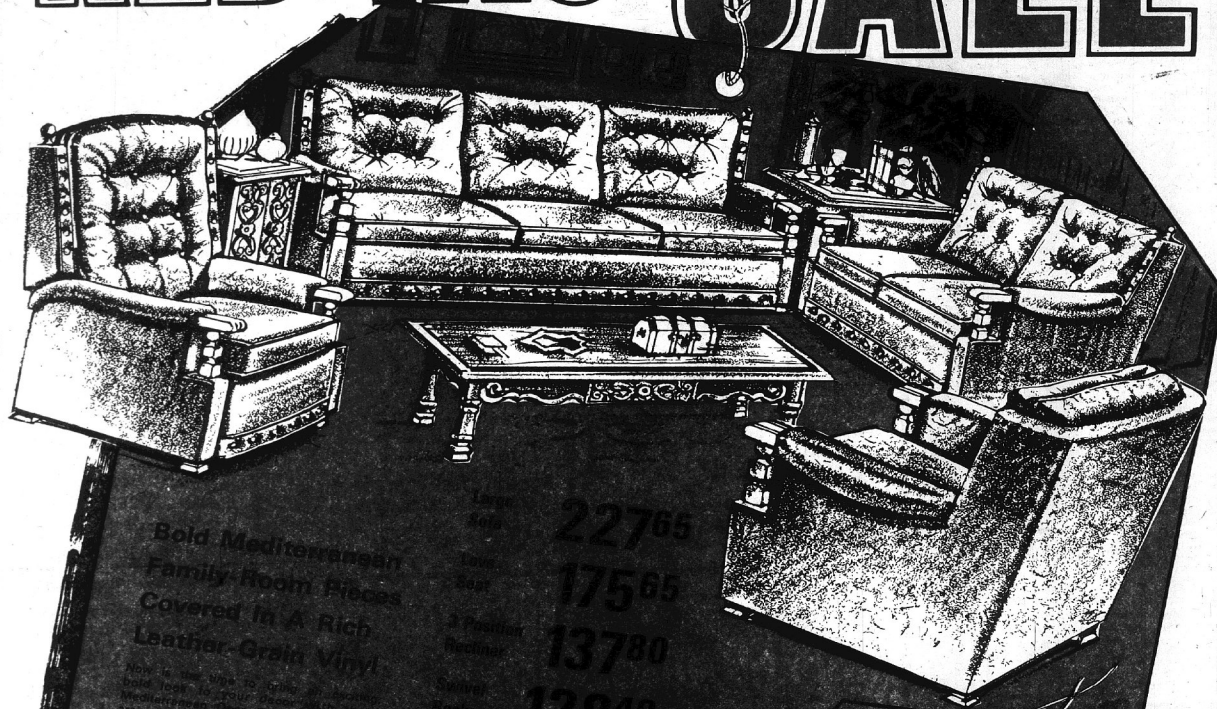

transfer to Scott was not the major issue," Price said. "My primary concern was to keep AVSCOM in the metropolitan area." Calloway decided that an airfield location was unnecessary since other means of transportation could be used almost as effectively as air cargo for the delivery of aircraft material requiring analysis and investigation at

AVSCOM. The Granite City Army Installation is used for some of the Command's work with helicopters.

Compton to retire

Louis I. Dethloff has been appointed director of purchasing for American Steel Foundries, a Chicago-based operating unit of Ansted Industries. It was announced today by Carl O. Sundberg, ASF president. ASF plant locations include Granite City.

Dethloff succeeds M. Duane Compton, who will retire after 17 years of company service.

Since 1966, Dethloff had been ASF's assistant director of purchasing. He joined ASF in 1963 as assistant to the vice

president-manufacturing. Compton joined ASF in 1936 at its Granite City foundry, and he became supply agent here in 1941.

He was transferred to ASF's Chicago headquarters in 1962 as assistant purchasing agent and was named director of purchasing in 1966. He is a member of the Purchasing Management Association of Chicago.

ASF is a major manufacturer of cast steel products for the railroad, construction, mining and trucking industries.

Registration for Selective Service by mail due soon

Illinois Selective Service Director, Lt. Col. W. Robert Kinschiff, has announced that young men soon will be able to register with Selective Service by mail when they live in areas where no other method of registration is available to them.

The mail-in registration forms will be available from poster displays to be located in such sites as post offices and banks, Col. Kinschiff said. Young men still are required to register with the Selective Service System in the 60-day period beginning 30 days before their 18th birthday.

When the end of the induction authority and a greatly reduced budget caused the system to close hundreds of local board offices, Selective Service officials sought new ways to enable young men to register with as little difficulty as possible. Volunteer registrars, many of whom are located in high schools, were appointed in areas which no longer have local board offices.

After tests of the mail-in registration program in several states, Selective Service officials decided it merited implementation on a nationwide basis in those areas where travel distances caused considerable inconvenience for young men who are required to register.

"Now many young men of our state will have a third way to register," Col. Kinschiff said. Commenting further on the mail-in program, he added: "When considerable travel and expense would result from registering at a local board or with a volunteer registrar, young men will be able to conveniently register by mail."

"We are trying to aid them in fulfilling the registration requirement in every possible way."

State directors have been authorized to implement this procedure whenever they determine that certain areas of

their states are not adequately served by local boards or volunteer registrars, according to Col. Kinschiff.

It is a federal law that all 18-year-old men must register with Selective Service. Penalties for failing to register can range to as much as five years' imprisonment or a fine of \$10,000, or both.

In the areas where mail-in registration is available, a young man will be able to pick up a registration form and complete it at his home, where he may be assisted by his family.

Necessary instructions are included with the form. When completed a registrant need only to fold, seal and mail. It is preaddressed and needs no postage.

The responsible local board will mail a status card to the registrant approximately two weeks after receiving his completed registration form. If a young man picks up the form when he is in another location, the local board receiving the form will forward it to the local board having jurisdiction over his home address. This local board will issue the status card.

Moss vetoes board action

A move by the Pontoon Beach Village Board in a special meeting Saturday morning to buy a radar "gun" for the police department was vetoed by Mayor Floyd David Moss. Board members were reported preparing to vote to override the veto in the regular meeting Thursday night. Moss said the radar equipment would cost approximately \$1,100.

60 GC STEEL LAYOFFS
Sixty employees of the shipping department at Granite City Steel Co. are being laid off because of a shortage of trucking facilities. A spokesman described the layoffs as a "minor cutback" and attributed them directly to the truck strike. The workers are to be called back as soon as the truck problem is resolved.

Schuck's store will contain a delicatessen, bake shop and other specialized areas.

Driving on into the shopping center, the next store area still is open with a front yet to be built. Adjoining Schuck's will be a Walgreen Drug Store and next to it will be a Tipton Appliance Center with 80 feet of frontage on the sidewalk.

New in line will be a finance company using 1,000 square feet. Contracts have not yet been signed and the name of the company has not been disclosed.

Continuing along the building a small office, which still is available for lease, adjoins the finance company. Next to it will be a hardware store, if contracts can be finalized.

Another unit will be a book and record store, with a women's ready-to-wear clothing store beside it. Leases again have not yet been signed.

Another advance office, a store is next with the World Gift Shop planned as its neighbor. Mrs. Judith McCann of Granite City operates the gift shop and has obtained a franchise from Hallmark to carry Hallmark cards and items.

Schermmer Men's and Boys' Shop is the next shop. The store will be a branch, with the Schermmer facility at 1910 Delma Ave. remaining in operation.

Three store units extend beyond the Schermmer store. All are available for lease.

These stores comprise the first phase of building on the site. Plans for a second phase include construction of a restaurant between the center and Pontoon Road, behind the present Yates Mobile Service Station.

Contracts for construction of the restaurant have not yet been awarded and the name of the restaurant will not be announced until after a lease has been negotiated.

Plants and flowers in planting boxes inset in the sidewalk will help decorate the area. In the center, flowers will be given in the planters with shrubbery in some, developers said.

In the parking lot, tree planters divide parking rows. The types of trees to be planted there have not been determined. It was added.

The development is being constructed by G. H. Sternberg Construction Co. of Granite City, general contractor.

Two injured in one-car mishap
Kenneth Kessler, 20, of 5422 Maryville Road, and a passenger in his auto, Harlan Bone, 18, of 53 Cambridge Road, were injured when Kessler's auto left the northbound ramp from eastbound Interstate 270 onto Route 111 at 11:45 p.m. Saturday. Both were taken by ambulance to St. Elizabeth Hospital.

Kessler was admitted to the hospital with abrasions to his right wrist and forehead and a cut to his left index finger. He also suffered an injury to his left lower leg.

Bone, who lost consciousness and suffered extensive lacerations to his left hand and an abrasion to his scalp, was examined here and transferred to Firmin Desloge Hospital, St. Louis.

Catholic schools plan open houses

Catholic Schools Week will be observed beginning Sunday, Feb. 17, with a variety of activities scheduled.

Open house is scheduled for 9 a.m. to 2 p.m. Sunday at Sacred Heart School, 2401 Sheridan Ave., where a science fair will be presented. Coffee will be served and a bake sale will be held by the Altar and Rosary Society.

An evaluation report will be given by Fr. Richard Panyic and consultants from the Diocesan Board of Education to the Sacred Heart parish at 7:30 p.m. Tuesday, Feb. 19.

Parent visitation is scheduled for 9 a.m. to 12 p.m. Thursday, Feb. 21, and Friday, Feb. 22, while classes are in session at Sacred Heart.

Plans currently are being completed for an open house completed for an open house at St. Mary-St. Mark school facilities in Madison and St. Louis. St. Joseph School, 21st Street and Edison Avenue, open house is planned for Sunday from 8:45 a.m. to 12:30 p.m.

There also will be an open house Thursday, Feb. 21, at 7 p.m. before a St. Joseph's Parents and Friends meeting.

Richter noted that with the current delay of Slagoc legislation at the Missouri state capital, Illinoisans could revise the proposed wording and "beat Missouri to the punch" by enacting it at Springfield.

The discussion brought out, however, that the proposal is moving rapidly in Illinois as originally outlined by the state.

Gov. Daniel Walker, a Slagoc advocate, is to meet Wednesday at Springfield with St. Louis and St. Louis County governmental leaders.

Some of those present voiced the belief that the bill as worded vests excessive power in the Council of Governments.

Whether some of the proposed powers should be removed from the legislation will be studied, it was noted.

Also, it was reported that there may be a possibility of including some type of review mechanism to protect either state against an arbitrary Slagoc action.

Several said a "credibility gap" has developed in view of initial pro-Illinois Airport stands by St. Louis County Supervisor Roos, St. Louis Mayor Pockler and St. Louis Alderman. President Bader, a Slagoc advocate, of whom now actively oppose the Columbia site.

Port planning also appears to be headed toward a Missouri proposal even though the bend of the river and its current cause heavy siting on the St. Louis side, it was reported.

Another factor cited Thursday is that, with much of the riverbank freight destined to be eastbound, extra costs are encountered when it is unloaded on the Missouri side and transported by rail or truck to Illinois.

expenditure of their tax dollars. If given the opportunity to serve the people of the 56th District, I will use all the resources available to a state legislator to vigorously and energetically see to it that periodic inquiries are made into the use and need of all state-owned autos.

In a time of an energy shortage, it is not surprising that Illinois—thousands, if not millions, of both dollars and gallons could be saved through a thorough investigation of this one phase of state operations alone."

CASH, RECORDER TAKEN
About \$75 cash and a tape recorder were among items stolen from the home of Wilmer Stinson, 2216 Manley Ave., during a burglary which was reported at 8:20 p.m. Sunday. A door to the breezeway was forced open with a screwdriver. Two bedrooms and the living room were ransacked, according to reports.

consideration of Illinois sites, might show "good faith," several commented.

Such good faith might result in increased Illinois public support for Slagoc, although this point is uncertain, the discussion showed.

Richter said Missourians as well as Illinoisans feel they are "not getting their fair share."

But this reality, failing to compete successfully for economic growth, and that increased regional cooperation is regarded as the solution.

Further bi-state cooperation also could lead to remedies for solid waste disposal and other problems, Richter related.

Increased federal funding might be secured if many of the region's proposals had to be forwarded only to Kansas City rather than to both Kansas City and Chicago. Federal offices, it was asserted.

Pruning aids flowering trees

By WAYNE B. SIEFERT
Flowering trees like Red Bud, Dogwood and Magnolia do not require pruning to maintain vigor and a good flowering display, but light pruning will maintain a better view of the main limbs and encourage flowering throughout the tree, instead of concentrating the flowers on the outside of the tree.

Flowering Crab-apples require regular pruning to maintain modest size and encourage uniform distribution of flowers. Remove sprouts or larger limbs which add excessive height to the tree. Space the low limbs or larger branches to permit sunlight to reach every limb. Do not cut back small twigs. To control a small limb prune back to a strong twig.

Spacing the branches reveals the character of the limbs and trunk as well as promoting flower development throughout the tree. Paint cuts larger than

one inch in diameter with a tree paint to discourage borers.
Root injury from transplanting destroys more than one-third of the roots to produce a survival crisis.

Pruning to remove one-third of the back (and branches) restores a balance of roots and buds to insure survival and modest growth. Prune to preserve a skeleton of natural limbs. Never cut back the leader. Concentrate on maintaining a natural shape while you provide even spacing of the survivors.

Spring growth is the measure of success. Small leaves and miniature growth indicates a root crisis. When moisture is adequate normal growth and natural leaves will insure survival while a large amount of dwarfed growth leads to a late summer failure.

Physical education Kiwanis Club topic

One of the aims in physical education is to see that the child learns what he needs to know about skills, and how to use them, Miss Margaret Roberts, physical education instructor at Maryville School, told the Thursday morning meeting at Charlie's Restaurant.

A film on physical education was viewed by the group.
Kiwanian Donald Moser reminded the club that there will be no breakfast meeting next week due to ladies night at Charlie's next Thursday, beginning at 6:30 p.m.

Pam Hollis in debate group

A team of four undergraduates including a Granite Cityan at the University of Illinois at Urbana-Champaign has won second place in the 27th annual De Pauw University debate tournament.

Students from 16 colleges and universities in Indiana, Illinois, Michigan, Ohio and Kentucky competed at Greencastle, Ind., in debates on the U.S. government's energy policy.

Two of the UIUC debaters, Sharon Holden, Urbana, and John Davidson, Lawrence, Kan., are freshmen. They argued that the U.S. should nationalize energy industries.

Opposing further government control were two sophomores, Gail Lovinger, Morton Grove, and Pam Hollis, 3318 Wabash Ave., Granite City.

The debaters are members of the Illini Forensic Association, the student debate society sponsored by the UIUC department of speech communication.

The Illini debaters lost only to the Indiana University team. Illinois and Indiana have scheduled a return engagement—a public debate on the question of amnesty for draft evaders and deserters. The debate will be presented before the Friday Forum at the University YMCA-YWCA, 1001 S. Wright St., Champaign, at 12:30 p.m. Feb. 22.

Tax tip—Short form is often not the best form

The long or the short of it? Taxpayers must make that decision again soon.
After being absent for three years, the familiar Form 1040A—the so-called short form—was reintroduced in 1973 and is back for this year's filing season.

"The short form can be a convenience for many," says tax expert Sanford Kahn, "but it can be costly to many others because they take the easy way out instead of searching for ways to save on their tax returns."

Those eligible to use the short form are taxpayers whose 1973 income consisted of wages, salaries, dividends and interest in any amount.

"But all those who are candidates for the short form don't have to use it, nor should they feel they're expected to," Kahn asserts. "They've simply got to review their own situation first and decide."

The short form permits deducting 15 per cent (or a maximum of \$2,000 of adjusted gross income. This avoids itemizing interest payments, donations to charities and real-estate taxes, among other items.

Kahn points out that use of the short form could result in paying unnecessary tax dollars because it does prevent itemizing deductions of this sort—plus deductions for employee business, sick pay, moving,

retirement income, estimated tax, investment, foreign, motor fuels and regulated investment company tax credits.

"So, it's essential to claim any of these deductions and credits and whether claiming them will reduce your tax bill," says Kahn.

"For example: If you have a mortgage on a home, you can deduct all the interest payments. That could easily be \$1,000 a year or more.

"If you add a couple of hundred dollars for charitable contributions and uninsured medical bills and prescriptions, you're already close to the \$2,000 maximum standard deduction.

"Every single penny you can itemize beyond that is money in your pocket."

In general, those who benefit from itemizing—that is, not using the short form—are homeowners with large mortgages; people who've had a large casualty loss or considerable medical expenses, and those who donate heavily to religious and charitable causes.

"Moreover," Kahn says, "the short form isn't all that easy to zip through. There are 15 pages of instructions from the Internal Revenue Service about how to fill it out.

"Completing the regular 1040 doesn't actually take that much longer."

Kahn believes that "Uncle Sam, to some extent, capitalizes on the fact that every one hates to tangle with tax forms."

"But by using a short form or taking a standard deduction on the longer form, many people end up paying more than they should."

A more sensible approach, he maintains, is to consider tax filing "a part-time job—and a lucrative one, at that."

"An evening or two of hard work, compiling all the pertinent data required for proper use of a tax service that you go to, is one of the best ways to save money at this time of year."

The short form, says Kahn, "is certainly worth considering. Since it offers the taxpayer another option, it should be welcomed."

"To those who have scarcely

any deductions and whose income is from wages only, it can help dispose of an unpleasant chore a bit more quickly."

However, Kahn insists, "the fastest way isn't always the smartest way."

"Taxpayers who use the short form should only do so after they've made absolutely certain it's not costing them more of their hard-earned dollars than is necessary."

Study of aging Optimist topic

A study of aging was presented to the Thursday noon meeting of the Optimist Club at the YMCA by Dr. Herman Blumenthal, director of laboratories, St. Elizabeth Hospital.

President David Fox announced there would be a club board of directors meeting at 8 a.m. Thursday at St. Elizabeth Hospital.

Eric Robertson, a Granite City attorney was a guest of Optimist Frank Roa.

Maurice Dailey was appointed by Fox as chairman of the nominating committee for the April election of club officers.

Next week's program will feature entertainment which "promises to pleasantly surprise everyone," David Geese, program chairman, informed his fellow Optimists.

Services held

Funeral services were held at Karnak, Ill., yesterday for Clyde R. Hanks, 58, of East St. Louis, father of Richard A. Hanks of Granite City. Mr. Hanks died Thursday at St. John's Mercy Hospital, Greve, Mo. He also is survived by his wife and two daughters.

SEGREGATION STRATEGY

On Feb. 8, 1970, governors of four southern states met in Mobile, Ala., to discuss strategy against court-ordered school desegregation.

General Steel cuts debt to \$22 million

General Steel Industries, which has ordered closing of its casting plant in Granite City, has reduced corporate debt from \$40,246,000 to \$22,628,000.

The firm last week reported earnings of \$3,109,000, or \$1.23 per share, in 1973.

Ashley Gray Jr. is chairman of the board and James A. Van Sant is president. GSI had a net loss of \$36,261,000, or \$14.39 per share, in 1972.

The \$36,261,000 loss reported in 1972 included an extraordinary, non-recurring charge of \$3,171,000 as a reserve anticipating the costs of discontinuance of GSI's unprofitable car and castings divisions.

GSI reported net sales for the continuing divisions in 1973 of \$50,373,000 compared with \$42,236,000 in the prior year. At Dec. 31, 1973, the backlog of orders for the company's five manufacturing units stood at \$17,300,000 compared with \$11,777,000 on the same date the year before. Each GSI unit enjoyed higher sales and earnings in 1973, largely because of stronger markets and improved division operations, Gray and Van Sant said.

Pre-tax income for the continuing operations of GSI was \$3,464,000 in 1973 compared with \$3,062,000 in 1972.

The lower pre-tax income in 1973 was due principally to higher interest charges allocated to the continuing divisions. Interest charges were \$1,408,000 greater in 1973 than the prior year as a result of losses.

GSI's indebtedness stood at \$22,628,000 on Feb. 1, 1974, compared with \$40,246,000 on Jan. 1, 1973, the reduction in debt coming largely from liquidation of receivables and payment for delivery of transit cars.

The company announced that phase-out operations at the two discontinued divisions are continuing on schedule and within estimated costs.

GSI's present operating units are: Ludlow-Saylor Wire Cloth, Flex-O-Lite, Standard Pipeprotection and GSI Engineering, all headquartered in the St. Louis area. National Roll near Pittsburgh, Pa., and Simplicity Engineering Co., a subsidiary at Durand, Mich.

Bloomquist-Belobraydic ceremony in Maryville

Miss Juliann Belobraydic and Kenneth M. Bloomquist exchanged wedding promises in a double ring ceremony on Feb. 2 at the Mother of Perpetual Help Catholic Church in Maryville. The bride is a daughter of Mr. and Mrs. Edward D. Belobraydic, Rural Route Two,

Collinsville. The bridegroom is a son of Carl Bloomquist of Collinsville, formerly of Granite City.

The Rev. James R. Collins officiated at the ceremony at high noon. Given in marriage by her father, the bride chose to wear a camel-toed gown of ivory sate-peau organza. The gown was fashioned with a high wedding ring collar, edged in imported Venice lace, atop a sheer yoke of tucked organza, appliqued with flower motifs of imported Alencon lace.

The Empire bodice was fitted with Elizabethan sleeves, terminating in deep cuffs. Narrow lace bands traced the waistline and the skirt was soft and full, edged with appliques of Alencon lace. A wide ruffle at the hemline swept backward into a court train.

A camel headpiece, tinted in matching ivory, was attached to a short veil of illusion, bordered in Alencon lace. She carried a bouquet of white Elegance carnations, yellow Sweetheart roses, baby breath and natural greenery.

Mrs. Paul Belobraydic of Long Beach, Calif., was the matron of honor. The bridesmaids were Mrs. Dennis Chestnut of Scott Air Force Base, Belleville, and Miss Anne May Lakin of Granite City.

They were identical gowns of royal blue velvet dotted along Empire lines and detailed with a wedding band collar upon a

square yoke of Nottingham ivory lace. The sleeves were long and cuffed in the same ivory lace.

Each carried a bouquet of yellow mums with touches of dark blue straw flowers.

Robert Lee Underwood of Collinsville was best man and the groomsmen were Paul Belobraydic of Long Beach and Gary Wesser of Caseyville, Mo.

Music was provided by Wayne and Georgia Bradshaw, who played The Lord's Prayer and "Ave Maria."

For her daughter's wedding, Mrs. Belobraydic chose a long gown of pale blue crepe made with a high rolled neckline and long sleeves. She wore a corsage of baby pink roses and white carnations.

About 300 guests greeted the newly-married couple at a reception at the church center.

The former Miss Belobraydic was graduated from Collinsville High School and is employed as a beautician at a Collinsville beauty salon. Her husband is employed at an architects and planning firm.

The couple now is at home at 3 Catherine Ave., Collinsville.

Past Matrons Club elects Mrs. Lewis

The Past Matrons Club of Granite Chapter 550, Order of Eastern Star, elected Mrs. Mary Ellen Lewis as president at a meeting last week.

Named as vice-president was Mrs. Louise Meador. Mrs. Rachel Larson was elected secretary-treasurer.

Plans were made by the group to hold a past matron and past patrons' party next month.

Mrs. Clara Harbig was the hostess and served refreshments, using a Valentine's Day motif. Games were played and prizes were awarded to Mrs. Hulda Griffith, Mrs. Karmyn Edmonds and Mrs. Kathryn Roman. Mrs. Lewis received a traveling award.

Other members in attendance were Mesdames Mary Bilbrey, Virginia John, Arlene Fox, Florence Spahr, Betty McClintock and Ethel Reed of Ramsey, Ill.

The next meeting of the club will be hosted by Mrs. Bess Henley.

GOLDEN ANNIVERSARY. Mr. and Mrs. Buster D. Goodwin, 2316 State St., who observed their 50th wedding anniversary Sunday at St. John United Church of Christ. They have resided in Granite City for 34 years.

Buster D. Goodwins mark golden wedding

Mr. and Mrs. Buster D. Goodwin, 2316 State St., renewed their wedding vows. Both events took place at St. John United Church of Christ.

The Rev. Paul R. Surbey heard the couple repeat their vows. The pastor was assisted by the Goodwin's son-in-law, Chaplain Colonel James E. Townsend.

Mr. and Mrs. Goodwin were married on Feb. 9, 1924 at Harrisburg, Ill. They have resided in Granite City since 1940.

Prior to retirement on April 29, 1972, Mr. Goodwin was employed 28 years as an engineer on the Illinois Terminal Railroad. His wife is the former Eva Stille of Harrisburg.

Hosting the reception were the couple's children, Mrs. Jim (Kathryn) Green and Mrs. John (Betty) Phillips, both of Granite City, and Mrs. James E. (Billie) Townsend of Montgomery, Ala.

The Goodwins have nine grandchildren and one great-grandchild.

NAMEOKI PTA will sponsor a "Winter Carnival," featuring booths, games and a chili supper, starting at 5:30 p.m. Friday in the school gymnasium.

Mrs. Judy Joyce, chairman, said the event will include a cake walk, basketball throw and white elephant booth, in addition to other games. A 25-cent admission fee will be charged carnival patrons, with games costing 10 cents each. All proceeds will be used for school related projects, she said.

Amber Crews marks fourth birthday

A "Raggedy Ann" theme was used at a party last week honoring Amber Crews given by her parents, Mr. and Mrs. George Crews, 2446 Edison Ave., in observance of her fourth birthday.

Those attending the children's party were Jennifer Bischoff, Becky Palovich, Becky Ridge, Scott Moore, David Birkhead, Lenny Dunn, Laney Schuman, Teresa Crews, Andrea Crysler and Cindy and Vicki Kingston.

Other guests were Mrs. Herbert Bischoff, Mrs. Joe Palovich, Mrs. Lonnée Kingston, Mrs. Doris Bachtler and Mrs. Steven Moore.

Later the same day the Crews entertained Mr. and Mrs. Harry Kelly, Mrs. Bachtler, Mr. and Mrs. Carl Ranft and Mr. and Mrs. Bischoff of Clinton, John and Jennifer.

HONOR CIRCLE HAS QUILTING SESSION

The Honor Circle of Niederrhaus United Methodist Women met last week at the church for a quilting session and a business meeting. Mrs. Pearl Campbell was hostess to a noon luncheon. Mrs. Eva Evans gave the devotional lesson, "The Great Shepherd" by Clifford Bell from Decision magazines.

Those attending included Mrs. Ida Cox, Mrs. Mildred Cundiff, Mrs. Eva Evans, Mrs. Edith Etherton, Mrs. Beulah Fox, Mrs. Augusta Pender, Mrs. Winifred Reimers, Mrs. Clara Wadlow and Mrs. Pearl Campbell. Thirty-five sick calls were reported.

Follow these tips from appliance experts

Use full loads when washing clothes or dishes.
Using your clothes washer or dishwasher for less than full loads consumes energy and water needlessly. With a little planning, you can save on both with fewer loads at full capacity.

Don't overheat water.
When drawing warm water, draw from both the hot and cold faucets to get the desired temperature.

Repair leaky faucets.
A dripping hot water faucet wastes your money and everybody's water. Be sure faucets turn off completely. Repair those that won't.

Do your washing in the mid-evening hours.
This makes the most efficient use of the energy we all depend on. Evening hours are the off-peak period.

Don't waste hot water.
To some folks, soaking in an overflowing tub with the hot water tap running is a luxury. Today it's a luxury none of us should afford.

Providing energy is our business.
Using it wisely is everybody's business.

Bilyeu-Mang wedding at St. Joseph Church

Bouquets of white gladioli and blue chrysanthemums adorned the sanctuary of St. Joseph Catholic Church for the wedding on Feb. 2 of Miss Marilyn Ann Mang and James E. Bilyeu.

The Rev. Henry Mack performed the 2 o'clock afternoon ceremony. A double ring service was used.

Mrs. Clara Judd, organist, played the nuptial selections and accompanied the soloist, John Stanfill, who sang "Sunrise, Sunset," "Ave Maria," "On This Day" and the "Bridal Chorus."

The former Miss Mang is a daughter of Mr. and Mrs. Clifford Mang, 2630 Edison Ave. The groom is a son of Edgar Bilyeu of Kaiser, Mo.

Burning tapers in candelabra illuminated the white carpeted aisle along which the bride was escorted by her father.

She chose a pure white delustered satin gown fashioned with an Empire bodice and high neckline. Lace accented the bodice and extended across the shoulders to cap the long, full shepherdess sleeves.

A deep flounce of lace bordered the hemline, sweeping backward into a full train, and a camel headpiece of pearls secured the full length veil of bridal illusion. She carried a cascade of white Elegance carnations and baby breath.

Mrs. Barbara Stout, the bride's sister, was maid of honor. The bridesmaids were Marian Young, Anne Harial, Diane Koshor, Mary Jacobs and Kim Jones.

The bridegroom chose his "other, Sonny Bilyeu, as best man. Groomsmen were John Shepperd, David Mang, the bride's brother, John Kleish, her

cousin, Dr. Tim Stout, the bride's brother-in-law and Dale Bilyeu, brother of the groom. Kenneth Kleish, a cousin of the bride, seated the guests.

The honor attendant and maids were dressed alike in gowns of royal blue velvet and pale blue sheer.

The velvet bodices had scoop necklines, edged with ruffle and outlined in white lace. The long velvet sleeves were trimmed with white lace at the cuff and the full length sheer skirts were made with a deep ruffled flounce at the hemline.

They carried nosegays of dark blue mums, intermingled with pale blue mums and baby breath.

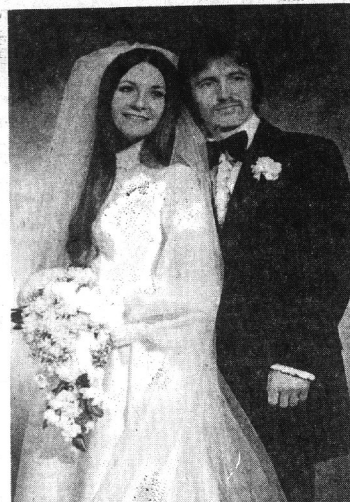

The mother of the bride selected a princess style gown of pink crepe polyester. The high open neckline was banded with pearls and silk beaded braid and the sleeves were bracelet length. Her corsage was made up of gardenias and pink Sweetheart roses.

About 300 guests attended a reception at the Croatian Home in Madison, following the wedding. Miss Lynn M. Papes attended the guest book. The wedding party and immediate families were entertained at Charlie's Restaurant the night prior to the ceremony for a rehearsal dinner party.

The couple is now at home in Granite City after a short wedding trip.

The former Miss Mang will graduate in March from Southern Illinois University at Edwardsville, where she is majoring in special education. She also is employed part-time at the Granite City Public Library.

Her husband is employed by the Missouri State Highway Department.

MR. AND MRS. JAMES E. BILYEU They were married at St. Joseph Catholic Church. The bride is the former Marilyn Ann Mang, a daughter of Mr. and Mrs. Clifford Mang, 2630 Edison Ave. (Markus Studio)

Future Secretaries hear TWA officers

Instead of holding a regular monthly meeting at Granite City, members of the High School Future Secretaries Association traveled by bus to Wood River High School, where they joined with members of the Alpha Ilii FSA Chapter to hear three speakers from Trans World Airlines talk about job opportunities with TWA.

Robert Kaps, manager—employment and personnel administration, cautioned the would-be secretaries that in addition to looking for girls who can take shorthand at a certain speed and type at a certain rate, he is also interested in looking for the individual who wants an advanced career at TWA.

He said, "A new employee who wants to be an efficient assistant to her boss has to really work at it, learning to anticipate

the needs of the person for whom she works."

Pat Richard, a ground hostess, explained duties of her job. She said there are only six individuals with this title; three of them work in the ticket area while the other three are in the gate area.

Among some of their duties are assisting people transferring from one flight to another, helping mothers trying to handle babies and many bags about flights and directing individuals to the proper place to pick up baggage.

FSA members asked questions about high and weight requirements for ground and flight hostesses, age requirements and availability of jobs.

Bethel Chapel plans revival

The Rev. Lloyd Whistler, Dewey, Okla., will be the evangelist at a revival which will open Monday, Feb. 18 at 7:30 p.m. at the Bethel Chapel Church, 25th and Ohio Streets. The revival will continue for an indefinite period, according to the Rev. Clifton Galther, pastor of the church.

Reverend Whistler formerly was a professional musician and traveled with the Grand Ole Opry.

The Bethel Chapel Choir and Youth Choir will be featured on various nights during the revival. The public is invited to attend the special services, Reverend Galther said.

Phi Tau Omega plans parties

A special party later this month and a March social evening were among the items discussed by Phi Tau Omega Sorority which met last week at the Granite City Elks Lodge.

Appointed to arrange the March event were Mrs. Mary Evelyn Yencio, Mrs. Ann Tatum, Mrs. Dorothy Costello and Mrs. Evelyn Todd.

Games were played and prizes were awarded to Miss Mary Hassler and Mrs. Lorraine Butler.

The next meeting was set for March 6 in the Elks hall.

relations manager, said there are 13 secretaries at TWA. The pay ranges from \$275 to \$765 monthly for a secretary and \$650 to \$925 for a senior secretary.

The Future Secretaries were warned that advertisements for airline schools should be looked into carefully, as most airlines do not look favorably on such schools. In most cases they have their own training schools; TWA's is located at Kansas City.

Following adjournment of the meeting, the students joined with faculty advisors and NSA members in refreshments.

Miss Page affirmative action officer at SIUE

Appointment of Miss Sally J. Page as affirmative action officer for women at Southern Illinois University at Edwardsville has been announced by Dr. John S. Rendleman, SIUE president.

"I want to assure that discrimination problems of any university employee, whether founded in minority, sex or other considerations, receive equally effective attention. This requires a woman to handle women's complaints, and a person who is a member of a minority group to handle complaints by minorities," Rendleman said.

John Flamer will serve as affirmative action officer for minority affairs.

A university-wide effort is under way to develop a written affirmative action plan for the entire campus, as required by the U.S. Department of Health, Education and Welfare. The plan will identify possible areas where discrimination is being or has been practiced and will establish ways in which the university can maximize its ability to use the talents and resources of each employee.

John Paul Davis, assistant to the president for legal affairs, heads a task force which will develop the plan.

Committees—which will include representation from the University Senate committee on the status of women, the Women's Caucus, the University Senate equal employment opportunity committee, the Non-Academic Employee Advisory Council and the Student Senate—will be named to make recommendations on the written plan.

"The commitment of SIUE to

MISS SALLY PAGE

assist minorities predates the 1970 policy statements of the SIUE Board of Trustees and the formation of various federal and state agencies in this field. From its inception, this university has sought to be responsive to the needs of minority groups," Rendleman said.

Affirmative action coordinators are to be named for major units of the university, including one for each of the academic schools. The coordinators will provide liaison between their units and the affirmative action officers. Miss Page has served as resource analyst for the Office of Research and Projects in the SIUE Graduate School since 1970. She earned a bachelor of arts degree from the University of Iowa with a major in political science and a master of science degree at SIUE.

District garden club nominees

Members of the District V Garden Club nominating committee met at Fischer's restaurant in Belleville last week and nominated four members as officers to serve for a term of one or two years.

Mrs. Helen Dahm of the St. Clair Garden Club served as chairman. The following names were submitted to be presented at the District V annual meeting in March: Mrs. Marian Nelson, Lebanon Garden Club; district director, Mrs. Hazel English, Winstanley Club; vice-chairman, Mrs. Ruth Buesch, St. Clair Garden Club; corresponding secretary, Mrs. Lida Theis, Garden Study Club, historic.

Committee members who were guests at the luncheon, with Mrs. Dahm as hostess, were Mrs. Mildred Rand, St. Clair Garden Club; Mrs. Anna Mae Jenkins, Cloverview Garden Club; Granite City; Mrs. Audrey Stueve, Lebanon Garden Club; O'Fallon; Mrs. Lida Theis, Garden Study Club; Granite City; Mrs. Nadine Logan, Shiloh Valley Garden Club; O'Fallon.

Annual YMCA meet Feb. 18

The annual meeting of the Tri-City Area YMCA will be held at noon Monday, Feb. 18, in the YMCA auditorium, according to Fred Cunningham Jr., president. Cunningham said that the meeting will be open to Y members and friends of the Y, and that those wishing to reserve a luncheon should call the Y office no later than Feb. 14.

Regular board business will be conducted in addition to a presentation by a window. Cunningham said that several local organizations have expressed interest in a remodeling program for the YMCA building and that the board is in the process of considering the various possibilities.

Talent show planned at Maryville school

A talent show will be presented at 7 p.m. Tuesday, Feb. 19, at Maryville School, Mrs. Kay McCrone, president of the school's PTA, announced at the group's executive board meeting last week.

A delegation of parents served as judges and selected the acts to be presented.

War I units' national meet

At a Madison Barracks 34 and Auxiliary meeting last week in the VFW Hall, it was announced that Mrs. Kathryn Fellers would attend the National Board of Administration meeting in Washington this weekend, and also the Women's Forum on National Security. The officer was drafted for a deceased member, Mrs. Kathleen Sheppard.

After a pot luck dinner, the business meeting was conducted by Commander Clem Rogers and President Della Robb. There were 40 present.

POLICY OF ADMISSION
TO COLONIAL NURSING HOME
It is the policy of the Colonial
Nursing Home to admit and to treat all patients
without regard to race, color,
or national origin. The same
requirements for admission are
applied to all and patients are
assured within the home
without regard to race, color,
or national origin. There is no
distinction in eligibility for,
in the manner of providing, any
patient service provided by the
nursing home or by others in or
outside of the home. All
facilities of the nursing home are
available without distinction to
all patients and visitors
regardless of race, color, or
national origin. All persons and
organizations having occasions
either to refer patients for
admission or to recommend the
Colonial Nursing Home are
advised to do so without
regard to the patient's race,
color, or national origin. 30 211

Card of Thanks 32
We, the Jones family of 92
Bissell St. and the Jones
family of 215 Harrison St. wish
to bow our heads in humble
thanks to the people of the Tri-
Cities for their kindness and
sympathy during our recent
bereavement in the loss of our
beloved brother HARRY LEE

GRANTMASTER TIRE GUARANTEE

1. Tread Life Guarantee Against Road Hazards: We guarantee all Grantmaster tires against failure from all normal road hazards for the life of the tread with the exception of: ordinary nail punctures, fire, theft, front-end misalignment, under-inflation, over-inflation and rubbing flat.

2. Tread Life Guarantee Against Defects: We guarantee the Grantmaster tires against all defects of material and workmanship for the life of the tread.

3. Tread Life Guarantee Against Wear: Should your Grantmaster tire require adjustment under Section 1 or 2 of the Guarantee, please return it to Grants and we will replace it by giving you a proportionate allowance for the unused tread, based on the current selling price plus Federal Excise Tax less the following percentage allowance toward the purchase of a new tire.

Tire Guarantee	Allowance
18-24 Months	10%
25-40 Months	25%

This guarantee covers tires in passenger car service only. Passenger car tires used in commercial service reduce the guarantee period by 50%.
